To
The Board of Trustees
Corcoran Art Gallery
Washington

I send herewith
for your inspection three water color paintings by the Misses Greator and respectfully ask you to purchase all or any of them for the Gallery, should you consider them worthy - they were all admitted to the Salon of 1880 and are the work of Young American Artists now and for some years past living and studying abroad, pupils of Homer and other great Artists and daughters of Mrs Eliza Greator. The fruit and flower piece is offered you for \$50 and the others for \$25 each without the frames which ~~are~~ ^{are} latter of French make and will be sold very reasonable - I also respectfully ask you

to purchase the Pen and Ink Sketch
of ^{the} "The Old Market" Munich by Mrs. Groat
and now in the Concoran Gallery - This is one
of her best drawings and with the exception
of one other - a smaller one - is the only Pen
and Ink Study of this Artist now for sale,
Mrs. Groat has entirely given up this
work and is now engaged in etching, Specimens
of which are in this years Salon,
The Pen and Ink Drawing of Munich is
offered as it is for \$100 - and I trust
the Board will purchase it - Mrs. Groat
certainly should be represented by one
work at least in the Gallery

Very Respectfully

Wm MacLeod Esq

Dear Sir

Yours in relation to the removal of my brother's painting has been rec'd, and would have rec'd more immediate attention only that I was out of the city when it arrived.

Several weeks ago Senator Jones said that he would take the painting to his house, and I called ^{today} to see him in regard to it, when I found that the Senator was confined to his apartment with an attack of Chills & Fever, and unable to see any one.

I shall therefore have to ask for your further indulgence until I can have an opportunity of seeing

the Senator, which will be in the
course of a few days, when I will
at once notify You.

Yours very respectfully

My Dear Sir.

Your letter with bill for rent 486 La Gr., has just reached me. I have been travelling so hurriedly, and changing locations so quickly, in my Pension Office investigations, that my forwarded mail has not been able to keep up with me.

Amid travel, and constant business, I confess I have neglected my rent matters - not intentionally but through forgetfulness.

I will be in Washington shortly after the 1st inst - and will transmit you check for the amount with thanks for your forbearance.

Very respectfully
